PRESIDENT'S MESSAGE

The 1980 1st Annual National meet Booklet has been mailed, I hope you enjoy it very much. I tried to get everyone's car in one of the pictures somewhere, if I missed yours I'm sorry.

Don't have much to say this time except the Club is still growing we now have 531 members. I guess the word about the "FALCON CLUB" is getting around. The only state we like having all 50 States is New Mexico. So if any of you know anyone there, tell them about the Club maybe they haven't seen anything on it.

I got a phone call from California last week from a man who found a FCA card on his windshield, So you see the cards do pay off. I have had several letters about them. If you need more FCA cards drop me a line and I'll send you some.

Have a Happy Thanksgiving.

Roy E. Sword, President
